

When Your Team Needs Accounting and Finance Talent...

...we get it.

Since 1992, organizations have trusted On-Site Financial to keep their accounting and finance operations running smoothly. We deliver great people and proven processes to firms of all sizes—on time and on budget.

14+ years of successful engagements

Professionals averaging 18 years experience

High quality, timely hires

Smooth running financial operations

Cost saving process improvements

Flexible workforces for times of change

From Staff Accountants to CFO's, Internal Audit or Sarbanes-Oxley specialists, On-Site Financial is your source for financial talent and services. Our combination of recruiting capabilities and project specialists make us equally effective at providing talent or executing project deliverables.

Why On-Site Financial?

More Powerful Solutions

We offer a number of distinct services that can be used individually or combined as necessary to deliver uniquely powerful and cost-effective solutions.

- Direct Hire Placement
- Contract Staffing
- Special Projects
- Accounting Process Improvement & Outsourcing

We are 100% Accounting and Finance Focused

We focus ALL of our efforts on meeting your needs in the areas of accounting and finance.

Teamwork

With a combined 150+ years of accounting, finance, and recruiting experience, every engagement is a team-based project.

Our Process Ensures Quality

Whether it's through behavioral interviews or advanced prescreening, our process is designed to save time and ensure the best fit possible.

We Believe in Good "Karma" and the "Golden Rule"

Life is just too short to do otherwise.

We Save You Time & Lower Your Risk

Our mission is simple: To reduce the time and risk for clients to complete projects and hire first-rate accounting and finance professionals who make a lasting impact.

Direct Hire Placement

More than 98% -- that's how many of our placements have been successful! On-Site Financial provides talented accounting professionals for your unique needs. We'll draw on our collective experience (more than 150 years of it combined!) to get you the right skill set and cultural fit.

OSF Provides Talent for These Positions

- CFO and VP Finance
- Budget, Treasury & Cash Management
- Controller, Cost Accountant, & Staff Accountant
- Financial Analyst
- Specialists including: Internal Audit and Sarbanes-Oxley

Accounting & Finance Recruiting Services

- We provide a high degree of objectivity, strategy, and feedback
- We value your time and will minimize your time commitment
- You'll tap into our national network of contacts and candidates
- We succeed only when you do (contingent fee model)

Projects & Contract Staffing

Expertise and manpower when and where you need it! Get the job done on-time and on-budget -- without increasing headcount or fixed expenses. Because projects and even routine tasks have deadlines, we always operate with an extreme sense of urgency, quickly providing contract professionals with the appropriate skills for your immediate need.

- Maintain budget controls and reduce overall staffing costs
- Engage just the right quantity of specific expertise
- Focus more efficiently on day-to-day operations
- Interview only the candidates that are highly compatible to your opening

Accounting Process Improvement & Outsourcing

Whether you're looking for a one-time improvement in the effectiveness of your accounting, or to minimize permanent additions to your payroll, On-Site Financial provides process improvement and recurring services to meet your needs.

- Documentation of systems and workflow
- Process, procedures and systems efficiency
- Specific function or whole department outsourcing
- Clean-up and untangling of systems & accounting issues
